Paper Heart The Vamps [Intro] C C There s a lot of things that I may not know But missing you baby is the only thing I know, I know And who am I to say what the future holds? But missing you baby is the only thing I know, I know C Am If my heart was paper, I d fold it Throw it to the wind and just hope it ends up with you C F:m I d sign it with love from me to you I d try to be cool, but my feelings, they don t allow me to And all that I ask, is that at least you write me back, I m waiting Am Here s my paper heart, won t you hold it, hold it? Said you needed space, so I gave you time Αm A year s gone by and I m thinking you re still mine, in my mind And I ve written you this letter like a hundred times To start a conversation that we should have had that night, I tried If my heart was paper, I d fold it Throw it to the wind and just hope it ends up with you I d sign it with love from me to you I d try to be cool, but my feelings, they don t allow me to Em

And all that I ask, is that at least you write me back, I m waiting

Here s my paper heart, won t you hold it, hold it?
