G#m F# E
I see you move so I do understand
G#m F# E
Why you get attention
G#m F# E
I hear you talk but I don t comprehend
G#m F# E
Why I get no mention

G#m F# E
And you know, you know where to find me
G#m F# E
Yeah you know where to go when you re looking for love
G#m F# E
And you know, you know where I m hiding
G#m F# E
Yeah you know, yeah you know

G#m
That when the stars go out
E B
You can rest your love on me
G#m
And when the world gets loud
E B
Baby you can rest your love on me

G#m
When the stars go out
E F# B
You can rest your love on me
G#m
And when the world gets loud
E F# B
Baby you can rest your love on me

(G#m F# E)

I used to try to get into your space
Then I learned my lesson
Cause you re the type in love with the chase
You need some rejection

And you know, you know where to find me
Yeah you know where to go when you re looking for love
And you know, you know where I m hiding
Yeah you know, yeah you know

G#m

That when the stars go out

E B

You can rest your love on me

G#m

And when the world gets loud

E B

Baby you can rest your love on me

G#m

When the stars go out

E F# B

You can rest your love on me

G#m

And when the world gets loud

E F# B

Baby you can rest your love on me

(Yeah you can rest your love on me)

G#m

And when the world gets loud

E B

Baby you can rest your love on me

(Yeah you can rest your love on me)

(G#m E F# B)

Yeah you can rest your love on me

Yeah you can rest your love, yeah you can rest your love

Yeah you can rest your love on me

G#m F# E

And you know, you know where to find me

G#m F# E

Yeah you know where to go when you re looking for love

G#m F# E

And you know, you know where I m hiding

G#m F# E

Yeah you know, yeah you know

(G#m E F# B)

That when the stars go out

You can rest your love on me
That when the stars go out, you can rest your love on me
Yeah you can rest your love on me
And when the world gets loud
Baby you can rest your love on me
Yeah you can rest your love on me

Yeah you can rest your love on me
Yeah you can rest your love on me
