Bm            A            G  
I see you move so I do understand  
Bm            A            G  
Why you get attention  
Bm            A            G  
I hear you talk but I don t comprehend  
Bm            A            G  
Why I get no mention

Bm            A            G  
And you know, you know where to find me  
Bm            A            G  
Yeah you know where to go when you re looking for love  
Bm            A            G  
And you know, you know where I m hiding  
Bm            A            G  
Yeah you know,        yeah you know

Bm  
That when the stars go out  
G                            D  
You can rest your love on me  
Bm  
And when the world gets loud  
G                            D  
Baby you can rest your love on me

Bm  
When the stars go out  
G                            A            D  
You can rest your love on me  
Bm  
And when the world gets loud  
G                            A            D  
Baby you can rest your love on me

(Bm A G)

I used to try to get into your space  
Then I learned my lesson  
Cause you re the type in love with the chase  
You need some rejection

And you know, you know where to find me  
Yeah you know where to go when you re looking for love  
And you know, you know where I m hiding  
Yeah you know, yeah you know

Bm  
That when the stars go out  
G D  
You can rest your love on me  
Bm  
And when the world gets loud  
G D  
Baby you can rest your love on me

Bm  
When the stars go out  
G A D  
You can rest your love on me  
Bm  
And when the world gets loud  
G A D  
Baby you can rest your love on me  
(Yeah you can rest your love on me)

Bm  
And when the world gets loud  
G D  
Baby you can rest your love on me  
(Yeah you can rest your love on me)

(Bm G A D)  
Yeah you can rest your love on me  
Yeah you can rest your love, yeah you can rest your love  
Yeah you can rest your love on me

Bm A G  
And you know, you know where to find me  
Bm A G  
Yeah you know where to go when you re looking for love  
Bm A G  
And you know, you know where I m hiding  
Bm A G  
Yeah you know, yeah you know

(Bm G A D)  
That when the stars go out

You can rest your love on me  
That when the stars go out, you can rest your love on me  
Yeah you can rest your love on me  
And when the world gets loud  
Baby you can rest your love on me  
Yeah you can rest your love on me

Yeah you can rest your love on me  
Yeah you can rest your love on me
