

Risk It All
The Vamps

C# **C#**
You just know, sometimes you feel it in your bones
C# **G#**
Though we've heard that hearts can still be wrong
F#
Somethings telling me that you're the one

C# **C#**
I just know, even if I had a heart of a stone
C# **G#**
You could make it bleed all on your own
F#
You could break it but I hope you won't

Pre-chorus
G#
I'd burn it down, I'd light it up for you

Chorus
C#
I'd risk it all
Bbm
I'd rather crash, I'd rather crawl
F#
Than never have your love at all
G#
With only bricks to break my fall

For you I'd risk it all

C#
You ooh you ooh (x2)

Verse 2:

C#
Stand your ground
C#
Feeling loose, I gotta see this out
G#
Go ahead, I'll let you watch me drown

It takes more than this to keep me down

I'd give it in, I'd give it all for you
