**She Was The One**
**The Vamps**

Introdução: **Eb   Cm   Eb   Cm**

**Eb**                                                    **Cm**
Tell me you love me  tell me you care
                              **Eb      Cm**
I know you won t be there  no
**G#**                        **Cm**
So give me it all  i ll give it right back
                      **G#**
And show me the bottom of this bottle
        **Bb**
We can pick up where we left off tomorrow

**Eb**                                   **G#**
She was the one who got away

                                          **Cm**
She was the one who I never got to say how much
    **G#**
I miss your touch
**Eb**                                   **G#**
She was the one who meant the most

                                       **Cm**
She was the one who I kept close amongst it all
      **G#**
So just let s fall

(**Eb**)

**Eb**                                              **Cm**
Tell me you need me  this isn t fair
                              **Eb     Cm**
I know you won t be there  no
**G#**                        **Cm**
So give me it all  i ll give it right back
                      **G#**
And show me the bottom of this bottle
        **Bb**
We can pick up where we left of tomorrow

**Eb**                                   **G#**
She was the one who got away

                                          **Cm**
She was the one who I never got to say how much
    **G#**
I miss your touch
**Eb**                                   **G#**
She was the one who meant the most

```
                                        Cm
She was the one who I kept close amongst it all
      G#
So just let s fall

Eb                 Cm      G#
Tell me it will be ok
Eb                      Cm        G#
Tell me it will all fade away
Cm                                                    G#
I ve walked for miles and I haven t even got that far
                                                  Cm
Tell me your secrets I promise we wont leave this scarred
                                              Bb
Cause in the end there s always better ways for us to part  no
Cm                                          G#
I thought as much it wouldn t ever end that way
                                        Cm
Cause all the second guessing girl you led me astray
                            Bb
Could you come back to me one day

Eb                          G#
She was the one who got away
                                        Cm
She was the one who I never got to say how much
    G#
I miss your touch
Eb                            G#
She was the one who meant the most
                                      Cm
She was the one who I kept close amongst it all
      G#
So just lets fall
```
