If you want words to put your mind at rest tonight,

Where you re less surrounded.

Cause I can see that the candle you hold inside				
G#				
Has a cloud around it.				
G#	Eb	G#	Fm	C#
How can a heart like yours be that high and dry

When it burns the brightest.				
Bbm	C#			
I m so sorry I can t stop myself from staring at you,

When you re tired and blue, my dear
