

Stolen Moments

The Vamps

C

You tell me I m a friend, but confused minds and blurred lines

G7

Have brought it to an end, and all that is left now

Am

F

Is where it s going to end? I don t know, no

C

It used to be enough, to have you around me,

G7

Before we said to much, now you can t be around me

Am

F

Cause now you find it hard, not to drop your guard, oh, not to drop your guard

C

G7

I m breaking in, to steal it all

Am

F

And I ll escape with every, sto-o-o-o-olen, mo-o-o-o-oment, that I spent with you

C

G7

Call me a thief, girl if you want

Am

F

But piece by piece, I ll take each, sto-o-o-o-olen, mo-o-o-o-oment

C

There s no way to defend, when you pull all the walls down

G7

It s harder to pretend, but I don t want it all now

Am

F

I need it even more, every time you go, I, I hate to watch you go

C

G7

I m breaking in, to steal it all

Am

F

And I ll escape with every, sto-o-o-o-olen, mo-o-o-o-oment, that I spent with you

C

G7

Call me a thief, girl if you want

Am

F

But piece by piece, I ll take each, sto-o-o-o-olen, mo-o-o-o-oment, that I spent with you

C

G7

We re the puzzle I can t fix, a million pieces still missing

Am

When I look at you and me, I still can t tell what this is

F

G7

But it s out of my control, love s a hole you say you don t wanna fall in, but

you keep falling

C G7
