Verse:
C#
You ve been deep in a coma
But I stood right here
Bbm
When you thought there was no one
I was still right here
F#
You were scared, but I told you
G#   C#
 Open up your eyes
C#
Never stopped being someone who could love you well
Bbm
Had to show you the hard way
Only time will tell
F#
Revelations and heartaches
G#   C#
make you realize

Pre-chorus:
          Bbm G#   F#
That I was always in front of you

Chorus:
C#
So wake up
              Bbm
Your sleeping heart
       F#
I know sometimes we ll be afraid
                           G#
But no more playing safe, my dear
I m here
        C#
So wake up

```
Verse 2 (same as verse1)

C#
You ve been deep in a coma
But I stood right here
Bbm
When you thought there was no one
I was still right here

You were scared, but I told you
G#                      C#
 Open up your eyes

Your sleeping heart
        F#
I know sometimes we ll be afraid
                          G#
But no more playing safe, my dear

        C#
So wake up
              Bbm
Your sleeping heart
           F#
And we will dream a dream for us
                          G#
That no one else can touch, my dear
I m here
        C# -one strum-
So wake up
