Verse:
Вb
You ve been deep in a coma
But I stood right here
When you thought there was no one
I was still right here
You were scared, but I told you
               Вb
Open up your eyes
Never stopped being someone who could love you well
Had to show you the hard way
Only time will tell
Revelations and heartaches
make you realize
Pre-chorus:
        Gm F
               Eb
That I was always in front of you
Chorus:
Вb
So wake up
           Gm
Your sleeping heart
      Eb
I know sometimes we ll be afraid
But no more playing safe, my dear
I m here
So wake up
```
