

Worry
The Vamps

[Intro] F C Dm Am F

I m sorry for the way I behaved
And I m sorry that I let you down again
I probably threw it at you I know
Yeah I worry you didn t like me anymore

I worry bout you not getting sleep
Cause you can t if the light creeps on it
I shut the curtain
Who shuts the curtain now I m gone?
I worry bout your body getting cold
Cause I can t wrap around you and keep you warm
God knows I m hurting
But God knows you re worth it

Wake up, I ve been tryna save us
I m not gonna give up, but you don t seem to worry at all
So wake up, I ve been tryna save us
I m not gonna give up, but you don t seem to worry at, worry at all
(F)

I m sorry that I pushed you away
And I m sorry, I couldn t give you everything
And I need you just to try to understand
I let you take from me it all, it s just I feel like half a man
