

**Whitechapel**  
**The Vaselines**

Very easy and catchy song by the Vaselines, that only has four chords played the same way during the entire song. Enjoy!

**A G F E 2x**

(during these chords their respective bass notes are played by the solo guitar)

**A G**  
I got the feeling you...

**F**  
-I heard her call

**E**  
and I m running  
-I heard her call

**A G**  
This feeling from you

**F**  
-I heard her call

**E**  
And it s hurting

**A G F E**  
Tonight, tonight, this wonderful night.

**A G F**  
Tonight, tonight.

**E**  
This wonderful night.

Why do you follow me...

-I heard her call

It s a weakness

-I heard her call

You live off my fears

-I heard her call

and I m helpless.

Tonight, tonight, this wonderful night.

Tonight, tonight.

This wonderful night.

And now that you re so near...

-I heard her call

Suffocating.

-I heard her call

The look in your eyes,

-I heard her call

Why are you waiting.

Tonight, tonight, this wonderful night.  
Tonight, tonight.  
This wonderful night.

Solo (Listen to the song for the rhythm. The solo is played twice, and follows the same chords as the rest of the song. (**A, G, F, E**))
