

**Leavers Dance**  
**The Veils**

[Intro]

**B F# E F#**

[Verse]

**B F# E**  
Berenice, my hands, my feet are worn  
**F#**  
As much as yours are

**B F# E**  
And though my head, my hands, my heart are forming  
**F#**  
They still feel worlds apart

[Instrumental]

**B F# E F#**

[Verse]

**B F# E**  
Berenice, beneath it all you're golden  
**F#**  
And that's all I'm feeding on

**B F# E**  
And though my head, my hands, are growing colder  
**F#**  
We move in circles now

[Chorus]

**B F# E**  
Berenice, there's no release at all  
**F#**  
That's not worth dying for.

[Instrumental]

**B F# E F#**

**B F# E**  
Berenice, my hands my feet are worn  
**F#**  
As much as yours are

[Instrumental]

**B F# E F#**

[Chorus]

**B F# E**  
Berenice there's no release at all  
**F#**  
That's not worth dying for

**B F# E**  
And it's not for our desires but our design  
**F#**  
that we all fall apart

[Instrumental]

**B F# E F#**

[Chorus]

**B F# E**  
Berenice there's no release at all  
**F#**  
That's worthless crying for

**B F# E**  
And I don't mind leaving, don't mind leaving now  
**F#**  
Cause we all fall down.

[Instrumental]

**B F# E F#**
