

**Leavers Dance
The Veils**

[Intro]

B F# E F#

[Verse]

B F# E
Berenice, my hands, my feet are worn
F#
As much as yours are

B F# E
And though my head, my hands, my heart are forming
F#
They still feel worlds apart

[Instrumental]

B F# E F#

[Verse]

B F# E
Berenice, beneath it all you're golden
F#
And that's all I'm feeding on

B F# E
And though my head, my hands, are growing colder
F#
We move in circles now

[Chorus]

B F# E
Berenice, there's no release at all
F#
That's not worth dying for.

[Instrumental]

B F# E F#

B F# E
Berenice, my hands my feet are worn
F#
As much as yours are

[Instrumental]

B F# E F#

[Chorus]

B **F#** **E**
Berenice there's no release at all
F#
That's not worth dying for

B **F#** **E**
And it's not for our desires but our design
F#
that we all fall apart

[Instrumental]

B F# E F#

[Chorus]

B **F#** **E**
Berenice there's no release at all
F#
That's worthless crying for

B **F#** **E**
And I don't mind leaving, don't mind leaving now
F#
Cause we all fall down.

[Instrumental]

B F# E F#
