

The Stars Came Out Once The Lights Went Out  
The Veils

Capo on 4th

**F#m** **D**  
I m caught between the pen and the page  
**A**  
Lost in the remains of the age  
**C#**  
Daddy when you were young was it all this strange?

**F#m** **D**  
Fear s inching up the ridge of my spine  
  
The talking clock reminded me  
**A** **C#**  
I ve never felt all myself and I don t know why

**D**  
I can t seem to get to grips with it  
**B**  
I almost touched my fingertips to it  
**A** **C#**  
Why oh my oh my?

**D**  
Then the stars came out once the lights went out  
**B**  
And I could not speak so I had to shout  
**A** **C#**  
And then the moon passed sadly by.

**D F#m A** 4x

**F#m** **D**  
The joys are few and far between  
**A**  
I ve got the doomsday app. on my iPhone screen  
**C#**  
Honey, I ve seen the truth and it s worse than it seemed

**F#m**

Sins derived and sins original

**D**

Lies eclipsed and lies made visible

**A**

**C#**

I m turning my back on the world and fixing my eyes on the sky

**D**

I can t seem to get to grips with it

**B**

I almost touched my fingertips to it

**A**

**C#**

Why oh my oh my?

**D**

Then the stars came out once the lights went out

**B**

And I could not speak so I had to shout

**A**

**C#**

And then the moon passed sadly by

**D F#m A 2x**

**D F#m**

**A**

**D**

**F#m**

Love will I see you again

**A**

**D**

**F#m**

Cause I could do with some mending

**A**

**D**

**F#m**

Love, will I see you again

**A**

**D**

**F#m**

Cause I m through with pretending

**A**

**D**

Will I see you again?

**A**

**D**

**F#m**

Cause I could do with some mending

**A**

**D**

**F#m**

**A**

Will I see you again

(Fade Out with **D F#m A** )

I m confident this is correct. If you d prefer to play it without Capo, simply use the transpose function and tune it up four steps.

Enjoy :)
