

**Under The Folding Branches
The Veils**

Simple chords for piano or acoustic guitar, learned by ear

F **G** **C/E D E C**

There I knew you once, didn't I?
And the sound of that music travelled
to me from that orphan sky
and pulled it all in my vault

F **C** **G** **C**

Love hide me away deep in this turning canopy of snow

F **C** **F** **C**

Go, spin me around under the folding branches
Now, is not too late, heaven can wait another year or so

F **G** **C/E D E C**

Thought I loved you once, didn't I?
But I wanted the fame, didn't I?
Thought it broke your heart, didn't I?
But that face in the dark wasn't mine

F **C** **G** **C**

Love hold me away deep in this turning canopy of snow
Go, spin me around under the folding branches
Now, is not too late, heaven can wait another year or so
Go, spin me around under the folding branches
Now, is not too late, heaven can wait another year or so
Go, spin me around under the folding branches
Now, is not too late, heaven can wait another year or so

F **G** **C/E D E C**

For I loved you once, didn't I?

F **G** **C**

There, I loved you once, didn't I?
