My summer rose

Gmaj7 **Cmaj7**
When you found me
 Gmaj7 **Cmaj7**
My fortune was looking tough

You made boys cry

And girls act up

My summer woes

[Outro]

Cmaj7
Lingering moments
Gmaj7
Run through my head
Cmaj7
Thinking to myself
 Gmaj7 **Am7 Bm7**
How could I have let you go?
 Cmaj7 **Gmaj7**
I remember the days of old
Cmaj7 **Gmaj7**
Like the flowers I gave and the strolls I took with you
Cmaj7 **Gmaj7**
Like when the petals change in seasons
Cmaj7 **Gmaj7**
The past will fade away

Cmaj7 **Bm7 B**
