

European Son  
The Velvet Underground

\*\*\*\*\*EUROPEAN SON\*\*\*\*\*

Ah the joys of manic, a tonal, feedback ridden art rock, hey?

The bass riff to this should be coming soon (I hope)- meanwhile here are the chords.

\*CHORDS\* (EADGB<sub>e</sub>)

**C#** X32010  
**D** XX3121  
**E<sub>b</sub>** XX0232

During the first bit, just play around with a D chord.  
In the second bit, one guitar should always play

**D** (quick slide up) **E<sub>b</sub>** x3  
**C#**

For a few times, another guitar should double it. The rest is up to you. Just remember- Lots of feedback, noise, improvised solos.

\*LYRICS\*  
(As i hear them!)

You killed your Eurpoean son  
You spit on those under 21  
But now you blue cars are gone  
You d better say so-long  
Goodbye

You paint your wallpapers green  
You want to make love to the scene  
Your European son is gone  
You d better say so long you blue clouds  
Choo choo goodbye

SOUND FX (running a chair across a floor and then smashing a plate on it)

MINDLESS NOISE

\*END\*
