Tell you what cha do

Seasick Sarah had a golden nose

Hobnail boots wrapped around her toes

When she turned blue all the angels screamed

They didh t know they could make the scene

She had to run run run run run  
Take a drag or two  
Run run run run run  
Gypsy death and you  
Tell you what cha do

[Verse 4]

Beardless Harry what a waste  
Couldn't even get a small town taste  
Rode the trolley down to 47th  
Figured it was good to get himself to heaven

Cos he had to run run run run run  
Take a drag or two  
Run run run run run  
Gypsy death and you  
Tell you what cha do
