Margarita passion, they had to get her fixed
She wasn t well, she was getting sick
Went to sell her soul, she wasn t high
Didn t know things she could buy

She would run run run run run
Take a drag or two
Run run run run run
Gypsy death and you
Tell you what cha do

[Verse 3]

Seasick Sarah had a golden nose
Hobnail boots wrapped around her toes
When she turned blue all the angels screamed
They didh t know they could make the scene

She had to run run run run run
Take a drag or two
Run run run run run
Gypsy death and you
Tell you what cha do

[Verse 4]

Beardless Harry what a waste
Couldn't even get a small town taste
Rode the trolley down to 47th
Figured it was good to get himself to heaven

Cos he had to run run run run run
Take a drag or two
Run run run run run
Gypsy death and you
Tell you what cha do
