E **A** **E**
If I could cut little stars out of the paper sky

A **E**
I d put them in a box and make wishes at night

A
It would be you and I

E
Inside a secret, we would find

A
at the bottom of a garden,
in the house that we would buy

E **A** **B**
Your eyes, they never tell a lie
E **A** **B**
and your smile, it gets me every time

G
Please don t wish me away

E **B** **D** **A** **E**
My heart is in my throat singing out for you

B D A
ahhohohoh

E **B** **D** **A** **E**
My heart is like a boat sailing after you

B D A **D** **E**
ahahohohoh ahohoh

E **A**
You think its cool when I cry

E
Cause I never show and tell

A
When you kiss me, I die

E
oh, you know me so well

A

If I could bottle your tears

E

I would throw them from the clouds

A

In our world, id be dancing

E

And the rain would fall down

E

A

B

Your name, my favorite word to say
