

**In Another Life**  
**The Veronicas**

**E**            **A**                    **B**            **C#**  
I have known you my whole life  
**E**                            **A**                            **B**                            **C#**  
when you were ten, you said you d make me your wife  
**E**                            **A**                            **B**                            **C#m F#m**  
Eight years later you won me over  
                          **A**    **B**  
Just as I took the world on my shoulders

**E**            **A**                    **B**                            **C#**  
I got used to living without you  
**E**                            **A**    **B**                            **C#**  
Endless phone calls and dreaming about you  
**E**                            **A**                            **B**                            **C#m F#m**  
Always said that you were my man to be  
                          **A**    **B**  
But I guess I was in love with your memory

Refrão:

**E**                            **A**                            **B**                            **C#**  
You know I love you, I really do  
**E**                            **A**                            **B**                            **C#**  
But I can t fight anymore for you  
**E**                            **A**                            **B**                            **C#m F#m**  
And I don t know, maybe we ll be together again  
                          **A**                            **B**                            **A**                            **E**                            **C#**                            **B**  
Sometime,                            in another life  
                          **A**                            **E**                            **C#**                            **B**  
In another life

**E**                            **A**    **B**                            **C#**  
I know I said that I would keep my word  
**E**                            **A**    **B**                            **C#**  
I wished that I could save you from the hurt  
**E**                            **A**                            **B**                            **C#m F#m**  
But things will never go back to how we were  
                          **A**  
I m sorry I can t be your world

Sometime,            in another life

**A                    E                    C#**  
The way you re holding on to me  
**B                    A**  
Makes me feel like I can t breathe  
**E           C#           B**  
Just let me go, just let me go  
**A    E                    C#**  
It just won t feel right inside  
**B                    A**  
God knows I ve tried
