

## Speechless

### The Veronicas

I learned this from acoustic version of this song. Check it out:

<http://www.youtube.com/watch?v=5gIP3SSH7Zs>

I think it s a hole step higher than on the record. Pretty high to sing :))

Play it through the verses and for intro:

	<b>G/B</b>	<b>Cadd9</b>	<b>Am7</b>	<b>G/B</b>
e	-----	-----	-----	-----
B	-----3-----3-----0h1-0-----3-----			
G	-----3-3-----3-3-----0-----0---3-3-----			
D	-----0-0-----0-----2-----0-----			
A	--3-----2-----0-----2-----			
E	-----	-----	-----	-----

Feels like I have always known you  
And I swear I dreamt about you  
All those endless nights I was alone  
It s like I ve spent forever searching  
Now I know that it was worth it  
With you it feels like I am finally home

**Am7**

Falling head over heels

**D**

Thought I knew how it feels

**Am7**

**D**

But with you it s like the first day of my life

**G**

Cuz you leave me speechless

**Cadd9** **G/B** **Am7**

When you talk to me

**D** **G**

You leave me breathless

**Cadd9** **G/B** **Am7**

The way you look at me

**D** **Em**

You manage to disarm me

**D** **G**

My soul is shining through

**Am7** **D**

Can t help but surrender

(no chords)

My everything to you

you can add this between Am7 and D :

B	-1---1-----3-----	
G	-0----0-----2-----	
D	-2-----0-----	
A	-0-----2-3--x-----	
E	-x-----x-----	

I thought I could resist you  
I thought that I was strong  
Somehow you are different from what I ve known  
I didn t see you coming  
You took me by surprise and  
You stole my heart before I could say no
