

Speechless
The Veronicas

I learned this from acoustic version of this song. Check it out:
<http://www.youtube.com/watch?v=5gIP3SSH7Zs>
I think it s a hole step higher than on the record. Pretty high to sing :))

Play it through the verses and for intro:

	G/B	Cadd9	Am7	G/B
e	-----			
B	-----3-----3-----	0h1-0-----3-----		
G	-----3-3-----3-3-----	0-----0-----3-3-----		
D	-----0-0-----0-----	2-----0-----		
A	-----3-----2-----	0-----2-----		
E	-----			

Feels like I have always known you
And I swear I dreamt about you
All those endless nights I was alone
It s like I ve spent forever searching
Now I know that it was worth it
With you it feels like I am finally home

Am7

Falling head over heels

D

Thought I knew how it feels

Am7 **D**

But with you it s like the first day of my life

G

Cuz you leave me speechless

Cadd9 **G/B** **Am7**

When you talk to me

D **G**

You leave me breathless

Cadd9 **G/B** **Am7**

The way you look at me

D **Em**

My soul is shining through

B	-1---1-----3-----	
G	-0----0-----2-----	
D	-2-----0-----	
A	-0-----2-3--x-----

I thought I could resist you
I thought that I was strong
Somehow you are different from what I ve known
I didn t see you coming
You took me by surprise and
You stole my heart before I could say no
