G

It's not enough to say that I miss you

C

I feel so untouched right now

G

Need you so much somehow

Am

I can't forget you

D

I've gone crazy from the moment I met you

Am-G-D-C

Untouched

And I need you so much

Repeat with whole song

See you, breathe you, I want to be you

Alalalala alalalala

You can take take take take time time

To live live the way you gotta gotta live your life

Give me give me give me all of you you

Don't be scared

I'll see you through the loneliness of one more more more

Don't even think about what's right or wrong, wrong or right

Cause in the end it's only you and me and no one else is gonna be around

To answer all the questions left behind

And you and I are meant to be so even if the world falls down today

You've still got me to hold you up up

And I will never let you down (down)

I feel so untouched

That I want you so much

That I just can't resist you

It's not enough to say that I miss you

I feel so untouched right now

Need you so much somehow

I can't forget you

I've gone crazy from the moment I met you

Untouched, untouched, untouched, untouched, untouched

Alalalala alalalala

Untouched

Alalalala alalalala

I feel so untouched

That I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you
I feel so untouched
That I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you
Untouched, untouched, untouched
