

When It All Falls Apart
The Veronicas

intro

C, Em, D x2

C **Em** **D**
I m having the day from hell,
C **Em** **D**
It was all going so well (before you came)
C **Em** **D**
And you told me you needed space,
C **Em** **D**
With a kiss on the side my face (not again)
C **Em** **D**
And not to mention (the tears, the shame)
C **Em** **D**
I should have kicked your ass instead
C
I need intervention
Em **Am** **Em** **D**
Attention to stop temptation to scream

Cause baby

Gadd9 **Em**
Everything is fd up straight from the heart
Am **D**
Tell me what do you do, when it all falls apart
Gadd9 **Em**
Gotta pick myself up where do I start
Am **D**
Cuz I can t turn to you when it all falls apart
No

C, D

C **Em** **D**
Don t know where I parked my car
C **Em** **D**
Don t know who my real friends are (anymore)
C **Em** **D**
I put my faith in you
C **Em** **D**
What a stupid thing to do (when it rains it pours)
C **Em** **D**
And not to mention (I drank too much)
C **Em** **D**
I m feeling hung over (and out of touch)
C

I need intervention

Em **Am** **Em** **D(hold)**

Attention to stop temptation to scream

repeat chorus

C, D

F

Can it be easier?

G

Can I just change my life?

Am

C

Cause it just seems to go bad everytime

F

Will I be mending?

G

Am

C

D

another one ending once again

repeat chorus

oxox
