...and repeat. sometimes it sounds good to strum these as full chords (hit all the end up with a full Em chord, etc.)

Chorus is as simple as it gets:

```

C           G
You know it s alright if you cry a little;
C           G
Something inside of you s died a little
C           G
You don t have to hide, but you ve got to...

```

```

e-----|

```

```

b-----|
G-----2--2--2--2--2--2--2--2-----|
D-----2--2--2--2--2--2--2--1-----|
A-----2-----|
E-----|

```

...move on.

You gotta move on.

after the chorus a 2nd guitar plays a few fills - i ll see about figuring those out for

guys later. till then, have fun. comments welcome.
