Chords:

Verses: **Gm, Eb, F, Dm, F, Dm, Eb, Cm.**

Chorus: **Eb, Dm, Cm, Dm, Eb, Dm, Cm, Dm.**

Lyrics:

I see houses
Rows and rows of red bricks
I see black cars
Some blood-stained exit

I get this feeling that I
I ve been in here before
How many lives will I waste
How many tears must I taste
Before my freedom ; ah-ah-ah
Before my freedom ; ah-ah-ah

(Before your freedom)
(Strange lives, strange lives)

I see mountains
Blood red sunsets
I see a billion stars
Love, death and in between

I get this feeling that I
I ve been in here before
How many lives will I waste
How many tears must I taste
Before my freedom ; ah-ah-ah
Before my freedom ; ah-ah-ah

I won t be late, won t be late
I won t be late, won t be late, no
Hmmm..

Won t be late
I won t be late, won t be late

I get this feeling that I
I ve been in here before
How many lives will I waste
How many tears must I taste

Before my freedom – ah-ah-ah
I get this feeling that I
I ve been in here before
How many lives would I waste
How many tears must I taste
Before my freedom – ah-ah-ah
Murder, trouble and strife
Turning me into another guy
Murder, trouble and strife
Turning me into another guy
Murder, trouble and strife
Turning me into another guy

Don’t be late, don’t be late
Don’t be late, don’t be late
When I call
When I call
When I call you up
When I call you up

Enjoy! Kenny Dee.
