Lyrics:

I see houses Rows and rows of red bricks I see black cars Some blood-stained exit

I get this feeling that I
I ve been in here before
How many lives will I waste
How many tears must I taste
Before my freedom – ah-ah-ah
Before my freedom – ah-ah-ah

(Before your freedom)
(Strange lives, strange lives)

I see mountains
Blood red sunsets
I see a billion stars
Love, death and in between

I get this feeling that I
I ve been in here before
How many lives will I waste
How many tears must I taste
Before my freedom – ah-ah-ah
Before my freedom – ah-ah-ah

I won t be late, won t be late
I won t be late, won t be late, no
Hmmm..

Won t be late
I won t be late, won t be late

I get this feeling that I I ve been in here before How many lives will I waste How many tears must I taste Before my freedom – ah-ah-ah I get this feeling that I I ve been in here before How many lives would I waste How many tears must I taste Before my freedom – ah-ah-ah Murder, trouble and strife Turning me into another guy Murder, trouble and strife Turning me into another guy Murder, trouble and strife Turning me into another guy Murder, trouble and strife Turning me into another guy

Don't be late, don't be late Don't be late, don't be late When I call When I call you up When I call you up

Enjoy! Kenny Dee.
