New York, I was Judas

She said A latte,

double shot for Judas

Cry for the things

that happen, people

need to know

And for a dream to happen

You gotta let it go,

gotta let it go

Gotta let it go,

gotta let it go aha

Gotta let it go

You let it go

You let it go

But there must be

Some answer

I keep seeking,

cause I gotta know

We are numbered, and

we are labeled
Do we ever, break our home

I knew it, before you said it
There s no need for, need to wait
Need to wait

You let it go
I m running
In the sky
Slipping round
Hold me up high
I I I, high high high
High, high, high

Woohoo
Still holding on, you
know the dreams have
just begun
The dream s just begun
The dream s just begun
I know you re still holding on
Because the dream has just begun
