New York, I was Judas

She said A latte,

double shot for Judas

Cry for the things

that happen, people

need to know

And for a dream to happen

You gotta let it go,

gotta let it go

Gotta let it go,

gotta let it go aha

Gotta let it go

You let it go

You let it go

But there must be

Some answer

I keep seeking,

cause I gotta know

We are numbered, and

we are labeled  
Do we ever, break our home

I knew it, before you said it  
There s no need for, need to wait  
Need to wait

You let it go  
I m running  
In the sky  
Slipping round  
Hold me up high  
I I I, high high high  
High, high, high

Woohoo  
Still holding on, you  
know the dreams have  
just begun  
The dream s just begun  
The dream s just begun  
I know you re still holding on  
Because the dream has just begun
