(On the verse you can play either the chords or the intro riff)

**Am6** **G**

She knew my feelings were tangled and frayed,  
She took me into a windblown alleyway,  
She showed me what a boy should see,  
I ll thank her till the day that I die.

Chorus

**Fmaj7** **G**

So..here we go...

**C**

No knock on my door.

**Cmaj7** **G** **Fmaj7** **G**

Baby , Till you see what living has done to me.

**G** **Fmaj7** **G**

And I m sure that life means more than this.

**Am6** **G**

I took her to a room and I showed her myself,  
She made feel proud and respectful,  
There s nothing that this girl won t do for me,  
For that I ve gotta thank her , I mean it.

**Fmaj7** **G**

So..here we go...

A face in the crowd,  
Jump up then jump down,  
Baby.  
Can you see through me?

(Play Chorus)

Sure,I ve been here before,

No knock on my door,

No love , in the car.

Baby...

Please be my style.

Sure,I ve seen it before,

No knock on my door,

Love in the car can be painful I know.

Cry , I ve cried every night.  
I need to hold you Child,  
Oh , But can you see me?  
Knocking down your door.  
Sure , There s times I have crawled,  
And there is times I have dreamed,  
Oh , but it seems that , must you need my love?  
And I never seem to put it out , my love.  
And I m shaking,  
I m shaking,  
and I m shaking
