Subject: CHORD (Correction): See you in the next one by The Verve

Song: See you in the next one (have a good time)  
Group: The Verve  
Album: A storm in Heaven

Here is an oldy by The Verve (it was just Verve back then). If you like their new stuff check out their music like the Verve EP and A Northern Soul as well as the above mentioned album.

I have yet to hear their new album but the old music rocks compared to their highly commercial (but still good) new single Bitter Sweet Symphony. I can t really hear the lyrics of this song to well but any Verve will understand my dillemma.)

NB: THIS IS A CORRECTION TO A PREVIOUS SUBMISSION, BUT I THINK IT S WRONG HAS MINOR LYRIC ERRORS.THE VERSION ALSO LEFT OUT G COMPLETELY FROM CHORUS ETC, AND Cm LEFT FROM ENDING.
