

Star Sail  
The Verve

Album: A Storm In Heaven  
Transcriber: T. Barefoot  
Added By Mikhailo

The tracks on A Storm In Heaven don t lend themselves well to transcription. But maybe that s one reason why I think this disc so great.

Intro

E---0---  
B---2---  
G---2--- Chord comes in with a quick volume swell,  
D---2--- maybe using an envelope generator

Solo

These few notes are pure genius. The way the sound evolves here is just incredible. A semi-hollow body guitar like a Gibson ES series seems critical for reproducing this.

after ....crying out are you there?
