

The Drugs Don't Work
The Verve

Intro: B G#m Ebm E F# B

Verso 1

B
All this talk of gettin old
G#m
it s gettin me down my love
Ebm
like a cat in a bag
E F#
waiting to drown
F# B
this time I m coming down

Verso 2

B
and I hope you re thinking of me
G#m
as you lay down on your side
Ebm
now the drugs don t work
E
they just make you worse
F# B
but I know I ll see your face again
Ebm
now the drugs don t work
E
they just make you worse
F# B
but I know I ll see your face again

Verso 3

B
But I know I m on a losing streak
G#m
cause I passed down my old street
Ebm
and if you wanna show
E
then just let me know
F# B
and I ll sing in your ear again
Ebm
now the drugs don t work

E
they just make you worse
F# **B**
but I know I ll see your face again

Refrão

E **Ebm**
cause baby ooohhhh
G#m **F#**
if heaven calls I m coming too
E **Ebm**
Just like you said
G#m **F#**
you leave my life I m better of dead.
