When will you learn

To defeat your demons with your heavy heart

Oh Miss Deceiver

Thereâ€™s little bit of you in everyone

So caught in your ways

You believe the lies that you tell are true

Em7 **Cadd9**
Never again

G **D**
Will I let myself give into you

Em7 **Cadd9** **G** **D**
youâ€™re a far, far cry from the truth

Em7 **Cadd9** **G** **D**
never again will I give into you
