

Bunker
The View

(Chorus)

G

I ll stay with you cause I know how

To keep my feet on solid ground

EM

G

milk turns sour when left on the bunker for days

(Verse)

G

I know that you re about to hit the 22.

AM

That s old enough to know who s coming on to you

C

You re complacent with strangers.

G

And everyone that falls by the way

G

I see your tangerines are fading into black

AM

You d rather lie out front with him and leave me in the back

C

But you re still Rosie from door 6

G

And tainted smiles they get me everytime
