E|---------------------------------------------|
```

Verse

```
B                               G#m
Lying in some euphoric vibe
          Ebm                              E
Stories being told, of a girl you d like to ride,
         B                          G#m
She seems nice, to the blind man with a drink
              Ebm                            E
but oh man what a tea leaf, no second chance to think
                  C#m                  Ebm
She ll say she s changed, but I know her game,
                        E                        F#
She ll cane all of your baggies, and leave someone to blame
```

So I m never gonna ask her

Chorus

```
B                               Ebm
```

Don t let the girl come in, Don t let the girl come in,
```
       E                             F#
```
She ll put you in a spin, take everythin

Just dont let her in

Verse

```
        B                        G#m
```
I enter in, the middle of the night,
```
                          Ebm                            E
```
this house it seems so empty, I can feel her kickin about,
```
              B                      G#m
```
the door goes crash, and out goes my guitar
```
            Ebm                        E
```
musn t worry much, cos next doors never far,
```
              C#m                 Ebm
```
So i chap the door, and out she comes,
```
              E                         F#
```
lookin rather smokin , as if nothin has occured

So I m never gonna ask her

Chorus

```
B                               Ebm
```
Don t let the girl come in, Don t let the girl come in,
```
       E                             F#
```
She ll put you in a spin, take everythin

Just dont let her in
```
B                               Ebm
```
Don t let the girl come in, Don t let the girl come in,
```
       E                             F#
```
She ll put you in a spin, take everythin

Just dont let her in

Verse

```
B                               Ebm
```
Don t let the girl come in, cos you know,
```
                 E                      F#
```
you know she ll put you, put you in a spin
```
      B                         Ebm
```
So stay away, don t answer open,
```
                E
```
Answer nothing more,
```
                    F#
```
Whats is goin on in your house.

on in your house

on in your house

on in your house

Chorus

B   **Ebm**
Don t let the girl come in, Don t let the girl come in,
         E   **F#**
She ll put you in a spin, take everythin

Just dont let her in
B   **Ebm**
Don t let the girl come in, Don t let the girl come in,
         E   **F#**
She ll put you in a spin, take everythin

Just dont let her in
B   **Ebm**
Don t let the girl come in, Don t let the girl come in,
         E   **F#**
She ll put you in a spin, take everythin

Just dont let her in

Just dont let her in

Just dont let her in

Just dont let her in
