Hi, This is my first tab so if doesn t work to well then never mind at least i gave it a go!!!

This Tab is based on the acoustic version that kyle played at dexters which is on youtube!! To figure out the timing just go on this link:
<http://www.youtube.com/watch?v=SnumDECBV3k>

Chords

E, E\C#, E/A#

on the Intro of this song and in some of the verses the first chord is an E played open on the 13th fret this basically means that its an octave higher, i m sure you could play it normally and it would sound ok but this sounds better i have put 13 next to each time it needs to be played up on the 13th fret!! Hope thios makes sense
