Capo 4th Fret

**E**            **A**            **E**                      **A**            **E**                      **B**            **E**  
 How long has it been since you ve fell in love with a boy like me?  
**E**            **A**            **E**                      **A**            **E**                      **B**            **E**  
 How long has it been since you ve fell in love with a boy like me?

**E**    **F#m**  
 When you drop 6 bottles of your best perfume, I ll turn them into 12  
**A**    **A**  
 Standing on the shoulders that are slating you I slay them all myself  
**E**    **F#m**  
 Your last order of your cheap old wine has never helped your case,  
**A**    **A**  
 I ll come running with a crate of champagne to brighten up your face  
**F#m**                                      **A**                                      **B**  
 So don t call me crazy, cause it s all for you lady!

**E**            **A**            **E**                      **A**            **E**                      **B**            **E**  
 How long has it been since you ve fell in love with a boy like me?  
**E**            **A**            **E**                      **A**            **E**                      **B**            **E**  
 How long has it been since you ve fell in love with a boy like me?

**E**  
 Well you re the third note in my triad girl  
**F#m**  
 Without you I see a little world  
**A**    **E**  
 I ll come running when the wind won t make a chime.

**E**  
 Cause if I take your words in the song I sing,  
**F#m**  
 Like the rock the paper, the scissors that sort of thing  
**A**    **E**  
 The question is waiting in the pretty scene, how long has it been?  
**F#m**                                      **A**                                      **B**  
 So don t call me crazy, cause it s all for you lady!

 How long has it been since you ve fell in love with a boy like me?

**E**    **A**

I ll come running, come running, when the wind don t make a chime

**E** **A**

Come running, I ll come running, when the wind don t make a chime

**F#m** **A**

Don t make a chime for me and you

**E** **A** **E** **A** **E** **B** **E**
