Verse Chords : Same As Intro

Chorus Chords : **F** , **C**

Timing Difficult

Verse : Same As First Verse

Chorus : Same As First Chorus

Verse : Same As Second Verse

LYRICS

I ve had the same jeans on for four days now  
Iâ€™m gonna go to a disco in the middle of the town  
Everybodyâ€™s dressin up Iâ€™m dressing down

Lifeâ€™s one big circle, and it does end  
When it ends will you still be my friend?  
Iâ€™m not making a fool of myself  
I said, Iâ€™m not making a fool of myself

So, when you look in the mirror  
Reflecting back at you someone that you donâ€™t know  
Oh that shit s made your head spin around  
So get yourself together, yeah  
Get your feet back on the gro-o-o-o-o-ound

I ve had the same jeans on for four days now  
Iâ€™m gonna go to a disco in the middle of the town  
Everybodyâ€™s dressing up Iâ€™m dressing down

I take my hat off to the busker man  
for drowning his sorrows and singing his songs  
Not everything has worked out to plan  
But believe me heâ€™s smiling as long as he can

So, when you look in the mirror  
Reflecting back at you something that you donâ€™t know  
Life just makes my head spin around  
So get your self together, yeah

Get your feet back on the gro-o-o-o-o-ound

## Guitar Solo

I ve had the same jeans on for four days now  
Iâ€™m gonna go to a disco in the middle of the town  
Everybodyâ€™s dressing up Iâ€™m dressing down

My minds not perfect but itâ€™s sincere  
Youâ€™d be amazed at what you can achieve in a year  
Say you tried so hard, but your hearts on a switch  
And I know you tried so hard but your hearts on a switch

So, when you look in the mirror  
Reflecting back at you is a person that you donâ€™t know  
Life just makes my head spin around  
So get your self together, yeah  
Get your feet back on the gro-o-o-o-o-ound

So, when you look in the mirror  
Reflecting back at you someone that you donâ€™t know  
Life just makes my head spin around  
So get your self together, yeah  
Get your feet back on the gro-o-o-o-o-ound

Same jeans on for four days now  
Everybodyâ€™s dressing up Iâ€™m dressing down  
Iâ€™m not making a fool of myself  
Now believe me baby I can tell

Same jeans on for four days now  
Everybodyâ€™s dressing up Iâ€™m dressing down  
Iâ€™m not making a fool of myself  
Now believe me baby I can tell
