

Standing Waiting On My Own The View

(Verse)

E

You wake up at dawn and got out of bed

C#M

Said you never forget all these things that I said

D

A

And you re working,well I m working on a plan

E

I m thinking about what to do when you re gone

C#M

Trying to forget all the times I was wrong

D

A

I was working,was working on my plan

(Pre-Chorus)

C#M

A ---

Now you know you waited too long

C#M

A

Now you know that yesterday s gone

(Chorus)

E

D

You,you said you love me

A

E

Now I m standing,waiting on my own

E

D

You,you said you love me

A

E

Now I m standing,waiting on my own

(Verse)

E

The soften, the blow that keeps you so keen

C#M

You try to pretend that you know what I mean

D

A

You start saying that you get it

E

And make sure you pack the bad from the bunch

C#M

And lean on my world if you re aching so much

D

A

Cause it s easy,it s easier than you

(Pre-Chorus)

C#M

A ---

Now you know you waited too long

C#M **A**
Now you know that yesterday s gone

((Chorus))

E **D**
You,you said you love me

A **E**
Now I m standing,waiting on my own

E **D**
You,you said you love me

A **E**
Now I m standing,waiting on my own
(Bridge)

C#M **A**
I m taking care of you, you re never wanted for nothing,no

C#M **A**
And I m taking care of you, giving you all of my loving,oh

(Chorus x2)
You,you said you love me
Now I m standing,waiting on my own
You,you said you love me
Now I m standing,waiting on my own
