```
E          F#m G      E          F#m G
It ain?t a miracle to say the cynical
E          F#m G      E          F#m G
Ain?t nothing mystical here today
E          F#m G      E          F#m G
But if you look around here come another sound
E          F#m G      E          F#m G
Right from the underground, now I pray...
```
