

Wicked Nature
The Vines

A **B C**
I was dreaming of my love
D E
But it never is enough
D C
Cause I know too much about you
A B C
Even though I find it hard
D E
I have known it from the start
D
How to always find my way through
G A B C
With a nice sound I can feel light
D E D C D C
Cause I know how to be right
A B C
When I feel down now I know why
D E D C D C
I can freak out in my time
A B C
I was dreaming of revenge
D E
But it only is pretend
D C
So I forget all about you
A B C
Though remember all you said
D E
But I always was ahead
D
Cause my way is never untrue
G A B C
With a nice sound I can feel light
D E D C D C
Cause I know how to be right
A B C
When I feel down now I know why
D E D C D C
I can freak out in my time
