

Winning Days

The Vines

**F** **C**  
 The winning days are gone  
**G** **Am**  
 because i know just what I m seeing  
**F** **C** **G**  
 Was given eyes i know, i can hear.  
**F** **C**  
 Cause underneath there s gold  
**G** **Am**  
 i need to get around to find it  
**F** **C** **G**  
 And when i want to go, i can dream.

**F**  
 I ve been tryin  
**C** **Am**  
 All my time, I m just seeing it rise  
**E**  
 Cause it could be the land that s over me  
**F** **G**  
 so i just wanna let it breathe.
