**C** **F**  
Simple things are waiting  
**C** **G**  
For the one who wants it so  
**C** **F**  
Bet your bottom dollar  
**C** **G** **C**  
It ll cost less than you know

**C** **F**  
Blue hearts blue tears  
**C** **G**  
Blue n bruised n sore  
**C** **F**  
Blue skies waiting  
**C** **G** **C**  
On the other shore

**C** **F**  
A simple life s no mystery  
**C** **G**  
Confusion lies without  
**C** **F**  
Get washed in the water  
**C** **G** **C**  
Feel your light pour out

**C** **F**  
Do I know how  
**C** **G**  
How will I know  
**C** **F**  
Cast the ropes that bind you  
**C** **G** **C**  
Get in that boat and row

**C** **F**  
Forsake not what s around you  
**C** **G**  
For simple is close at hand  
**C** **F**  
You might get tossed on water  
**C** **G** **C**  
But keep your heart peeled for land

**C**                    **F**  
Blue hearts blue tears  
**C**                                    **G**  
Blue n bruised n sore  
**C**                                    **F**  
Blue skies and blossoms  
**C**                    **G**                    **C**  
On the other shore
