

Just A Ride
the Virginmarys

This is my first tab so be kind! Listen to the song to get the strumming :)

Intro:

Am C Em

Verse:

Am

There s traffic on the Northen Line

C

we say goodbye the final time

Em

pretend that we had something more than this

Am

When the memories you left behind

C

remind me you were never mine

Em

the lonely train you left without a kiss

Chorus:

Dm

The golden girl the silver spoon

F

the eyes like pearls who wept too soon

Am

G

haunt me up until the day I die

Dm

I climb aboard the sinking ship

F

biting on my bottom lip

Am

wait for time to heal my pride

G

but time was never on my side

Dm

me and you were just a ride

Am C

Em

you and me were just a ride

Verse:

Am

Seven weeks has come to pass

C

I stumble on the photograph

Em

to see the lucky man to take my place

Am

You were cloak and dagger from the start

C

twist the knife into my heart

Em

watch my eyes be tracks upon my face

Chorus:

Dm

Me who lost the will to live

F

when you who lost the will to give

Am

G

taking with the little left inside

Dm

I climb aboard the sinking ship

F

biting on my bottom lip

Am

wait for time to heal my pride

G

but time was never on my side

Dm

Am G

me and you were just a ride

Dm

Am G

me and you were just a ride

Dm

me and you were just a ride

Dm

me and you were just

Am

C

You lied, you lied, you lied you liar

Am

C

You lied, you lied, you lied you liar
