         A        Db
rosie
         D                        F#m   B
oh i know we re both being used
         A        Db
don t make no sense
         D                 F#m       B
just to carry on as we do
           A                    Db
you know i d love you if i knew you d let me down
           D                           F#m          B
you know i d love you if i knew you d let me down
           A                   Db
oh we need to get away (yeah we want to get away)
             D               F#m        B
but we ll never get away now

                   A        Db
it s easy when it hurts so say goodbye
                     B    E
we ll fall in love again just give it time
                     A                Db
it s easy when it hurts so say goodbye
                     B                   E
we ll fall in love again just give it pain
