F G C

She s only just begun

Weary as you lay at night waiting for the sun

Planning out tomorrow now before this day is done

Gillian you work too hard

But don t try and slow her down She ll tell you

idleness is good for none, work s how I get my fun

iIdleness is good for none, work s how I get things done

Gillian, you re the one, you re the one

Shining in my life, you re my eternal sun

I m trying to thank you now

For what I ve become

But I ve only just begun

Your influence has been profound and I m proud to be your son
Your blood is my blood
We are forever bound
You re the inspiration to the way I live my life
Gillian, if you weren t my mother
I d make you my wife
