As you toast to your small town and you drink the happy hour

**C** **D**  
Iâ€™m in London still  
**G** **D/F#** **Em** **D**  
Iâ€™m in London still  
**C** **D** **Em**  
I m in London still

Verse 2 (same chords as verse 1)

I took the tube over to Camden to wander around  
I bought some funky records with that old Motown sound  
And I miss you like my left arm that s been lost in a war  
Today I dream of home and not of London anymore

**C** **D**  
Iâ€™m in London still  
**G** **D/F#** **Em** **D**  
Iâ€™m in la ha, London still  
**C** **D** **Em**  
I m in London still
