Bird Song
The Wailin' Jennys
```

```
I hear a bird chirping up in the sky,
I d like to be free like that, spread my wings so high.
I see the river flowing, water running by,
I d like to be that river, see what I might find.
I feel the wind a-blowing, slowly changing time,
I d like to be that wind, I d swirl and shape the sky.
I smell the flowers blooming, opening for spring,
I d like to be those flowers, open to everything.
I feel the seasons change: the leaves, the snow and sun.
I d like to be those seasons, made up and undone.
I taste the living earth, the seeds that grow within,
I d like to be that earth, a home where life begins.
D
I see the moon a-rising, reaching into night,
I d like to be that moon, a knowing, glowing light.
I know the silence as the world begins to wake,
I d like to be that silence as the morning breaks.
I hear a bird chirping up in the sky,
I d like to be free like that, spread my wings so high.
I see the river flowing, water running by,
I d like to be that river, see what I might find.
I feel the wind a-blowing, slowly changing time,
I d like to be that wind, I d swirl and shape the sky.
